

Hans J. Wegner - PP571 Architect's Desk

1953 for PP Møbler, Denmark

details

Hans J. Wegner designed the extraordinary pp571 Architect's Desk in 1953 as a match to the Round Chair (The Chair). Later in 1955 he designed the Swivel Chair hence completing a line of exclusive, functional and exquisitely crafted masterpieces for the CEO office. (This table was purchased circa 2000 from the first owner!)

The desk marks the beginning of Wegner's work on combining sharp steel and sculptural solid wood in most elegant and well-balanced solutions. In this respect the desk precedes such unique classics as the Swivel Chair, the Cross Legged Table and the pp75 table.
